# 2024 SERVICES CALENDAR

Plan your rail adventure with us. You'll find our colour-coded calendar of services below and, opposite, the detailed timetables. We're a heritage railway and most of our trains are steam hauled but we also operate heritage diesel services. We work hard to follow the timetables with the scheduled locomotives but occasionally the weather, old engines and other factors mean we have to make changes. Please also read the key for other details.
